

A crazy ride

I couldn't see and no love I couldn't feel
Back in those days when all my dreams where real
There was a time for all of us a time
When music made us fly

A new place and new people all around
But I was trying to keep my feet on the ground
After a while the days would change you came to me
And you took me in your life

A weary mind just didn't help me out
Sometimes I wanted, I wanted so to shout
But would it help? Would you see? What I
I wanted it to be?

Your love to me, your love to me
Your love to me was it real?

A crazy ride it was now I can see
But it reminds me just how life can be
But I wouldn't change a thing in this crazy game that we play

But the march of time goes on...
